

THE FUTURE OF HAYES TOWN CENTRE ESTATE

FEBRUARY NEWSLETTER

Dear resident,

Welcome to our first newsletter of 2022.

Resident coach trip

As part of our ongoing consultation on proposals for the Hayes Town Centre Estate, we are organising a coach trip to give residents an opportunity to visit two similar estate redevelopments in Hounslow and Harrow.

We will spend some time walking around each estate so you can get idea of what the new estate might feel like, with architects available to answer any of your questions.

We will be meeting outside **Pump Lane car park** at **9.30am on Tuesday 22 February**.

The coach will depart promptly at 9.45am and return to the estate at approximately 3pm.

Lunch will be provided.

If you would like to attend, please contact us on: **0800 169 8677 (via WhatsApp message or phone call)**.

Project update

As you may know, the planning application for the redevelopment of Hayes Town Centre Estate was submitted at the end of 2021. The council's planning officers have now carried out their own consultation on the application. We hope they will arrive at a decision in March and we will update you all shortly after.

The council has been seeking a development partner to support them in the demolition of the existing estate and building the new homes.

The development partner will be bringing their expert knowhow, alongside resident engagement events, and employment opportunities.

Regeneration Hub reopens

The Regeneration Hub is open again, and we will be on the estate on Wednesdays and Thursdays between 10am and 12pm, and 2pm and 4pm, for residents to drop-in and see us.

Alongside the sessions for residents, we are also pleased to have been able to welcome back the Sewing Club every Monday and Tuesday from 10am - 3pm.

Do you have any community engagement ideas that you would like to bring to life?

Please do get in touch with our team and share your ideas and we will work in partnership to deliver as many activities as possible to positively impact the lives of residents involved in the redevelopment.

Resident Engagement Panel

The resident engagement panel continues to meet to discuss the proposals in more detail. Please get in touch if you would like to get involved.
